From the Board - by Yeao-Nan Hsieh

For those who follow the Chinese New Year, the closing of the tragic and tumultuous Year of the Rat is fast approaching. I am sure there are few people will have been sorry to see the end of 2020, a year characterized by the global COVID-19 pandemic.

February 12 marks the beginning of the Year of the Ox. The Ox is the second animal of the Chinese zodiac and, according to astrologers, denotes the hard work, positivity, and honesty that will be manifested in all of us in the coming twelve months. I would like to wish all you happiness and prosperity in the Year of Ox.

For those of you who are yet to get vaccinated or have done so already, I wish you the best of luck.

We have arranged a health talk on Covid-19 vaccination by Kevin Chao of the California Department of Public Health on February 13 from 1:30pm to 3:30pm by a Zoom meeting. He will answer all your questions regarding Covid-19 vaccination. I hope to see you in the Zoom meeting. We also have a Chinese New Year celebration on February 19 from 7:00pm to 10:00pm. With the center closed for almost One year now, I would like to invite you to join our celebration of year of the Ox.

I would also like to announce the resignation of Anita Wong as the center director. I appreciate all the hard work she has done for the center and respect her personal decision to resign.
